

• Temple Micah •

In the spring of 1969, a group of 30 liberal Jews gathered to create a new congregation which would be open and comfortable for all individuals wishing to realize their own personal connections to Judaism. Now, fifty years later, we are a thriving congregation with a vibrant religious school, dedicated clergy, energetic staff, and a fantastic group of volunteers.

**Please join us for a celebration marking the
50th Anniversary of the founding of Temple Micah.**

Saturday, March 23rd

**Celebration and Havdalah Service
